Commission Members Present: David Cleveland, Kris Kirwan, Wil Ortiz and Fabian Szarko.

Others Present: Sean Lowther

Tour of Common Areas: The Commissioners toured the following Common Areas in preparation for establishing priorities for the FY2016/2017 year:

- **Pool Area**
 - The back of the brick pool house & adjacent sidewalk need pressure washing.
 - The doors to the chemical rooms on the brick pool house may need replacing.
 - There is a hole in the mortar in the back corner of the brick pool house.
- **Gazebo Park**
 - The Gazebo needs painting & the ceiling needs repair.
 - Should we put up a no skateboarding sign?
 - Need two new garbage cans – preferably Rubbermaid.
 - There is a dying tree SW of the Gazebo behind the bench.
 - Should we consider picnic tables in the Gazebo area?
- **Russell Park:**
 - Need to add more mulch to the playgrounds.
 - The dogwood in Mack's Garden needs to be removed.
 - There are a couple of sweetgum trees west of the parking lot that should be removed.
 - The undergrowth in the trees behind the pool needs clearing (Wil Ortiz).
 - The basketball garbage can need to be replaced – preferably Rubbermaid.
 - Should we consider benches between the tennis courts and the basketball court?
 - The plants in the sidewalk triangles need replacing (ornamental grasses?),
 - There are two dead/dying trident maples along the pond that need to be replaced.
 - The bench at the far end of the park needs to be pressure washed.
- **Alden Pond**
 - The dead shrubs across the pond by the outlet need to be removed.
 - The brush in the outlet needs to be removed.
 - Could use pavers between the sidewalk and the garbage can.

- Founders Park
 - The gazebo will need to be painted in the near future
 - Need to replace Trident Maple that blew over.
 - Need to add more mulch to the playground.
- Garden Pond
 - Need to replace dead shrubs around the pond.
 - Need to replace two Cherry Trees between the ponds.
- Lake Charles
 - Bank erosion on the Conifer side and end.
 - Need for more shrubs or trees that will provide more "color".
 - Need for benches on Conifer side.
- Normandy Pond
 - By Logan sidewalk there is a dead Green Giant Arborvitae.
 - By Logan sidewalk there is a leaning Leland Cypress that should be removed.
 - In the common area across Logan there is a dead tree that needs to be removed.
 - Need for benches around the pond.
- Veterans Pond
 - Could use pavers between the sidewalk and the garbage can.
- Miscellaneous
 - The lining in the Clock Tower Fountains needs to be repaired/replaced.
 - Should we consider accent lighting in front of the Community Center?
 - The shrubs along the Meeting Street sidewalk need to be replaced.
 - The lettering at the front entrance and at neighborhood signs needs to be repainted.
 - Should we plant trees or shrubs to the left of the front entrance on L. P. Road?
 - Various junipers on headwalls & in front of neighborhood walls need updating.

Respectfully Submitted,

David Cleveland
